Pastor's Pen

Is it a New Year already? Doesn't seem possible but here we go. What will be our big challenges for this new year and how will we prosper as a church? I think these are all good questions to ask ourselves as we make plans for the new year and as we vision for the future here at Kentland Trinity.

You know that we do not even have 10% of the population here in Kentland attending all the churches combined and so I challenge us to begin a new outreach. This past Christmas we sent out 500 postcards to invite the community to participate in our Christmas programs and this spring I pray that we can send out four times that many invites for the season of Easter.

It is time to get excited about living in Kentland and also excited about attending church activities in Kentland. We are also continuing our Friday night church in the homes of those willing to host a church night. I pray that you get connected with these events and host your own church night.

For a wonderful New Year full of blessings God Bless you!
Pastor Clint Fink

It's SMALL CHANGE time!!! Do you have pennies, nickels, dimes and quarters that seem to be everywhere? I have a solution and a place you can bring them! To church!!! It's open Monday-Friday from 9am-Noon and even every Sunday!!

Several years ago I read a book called Small Change: The Secret Life of Penny Burford by J Belinda Yandell. Our church's Mission committee began Small Change. The collection of our small change goes in with our Mission Fund, that is spread amongst Ken Vance, two children's homes supported by the Methodist churches in Indiana, Covenant's Food Pantry and also other needs that occur throughout our community (medical issues, fire that destroys homes, etc). There will be a change collection container in the office and also in the sanctuary during the month of January. If you have any questions please contact me.

Blessings,
Mary Blake
