Community Centered**

VISION STATEMENT

KTUMC envisions to be the
commons of Kentland offering
unconditional love, friendship and
fellowship to all.

SEPTEMBER 2019

From the Hand of Dan

September is a time of new beginnings. We call the first of January "New Years Day" but let's be honest, the new year begins with September. Seasons are changing, evenings are getting cooler, we're starting to think about harvest – even though the planting season was so delayed!

Our church family is starting to think about the holidays coming. Sunday School classes are gearing up for another year. We've been a little relaxed during the summer months, but now that September is here, we shift back into learning mode. The kids are back in school, the sports teams are back on the field, God is in Her Temple and all is right with the world!

Our Muslim brothers and sisters will begin their year on August 31 with the celebration of Muharram. Muharram is marked by honoring the martyrs of the faith. Because Muslims follow a lunar calendar, this is a period that moves around on the Gregorian calendar. The Jewish people also follow a lunar calendar, and so the period of Rosh Hashanah also moves around. This year it begins at sunset on September 29. Rosh Hashanah is the beginning of the Jewish year and is a commemoration of creation itself.

September is a time of renewal and beginnings. Even if you don't celebrate Muharram or Rosh Hashanah, you surely will join with me in the joyous celebration on Thursday, September 5 when Green Bay will play Chicago to start the NFL season! Oh, Happy New Year!

The United Methodist Mountain Mission truck will
be coming to Trinity on
Monday, September 9th at 7:30am.

The items we send in will be sent to eight stores in eastern Kentucky. Thousands of people count on these stores each day to buy usable clothes, furniture, and other household items for their families at a price they can afford. Thank you for sending in those items you would be willing to purchase if you came to the mission to shop. They are always in need of furniture of all kinds, large appliances, pots and pans, dishes, linens, lawn mowers, tools, etc.

About this time of year they start saving toys for Christmas. There are a lot of families who cannot afford to buy their children toys for Christmas. Please help our stores to provide some Christmas joy to these children!

THANK YOU FOR YOUR GENEROSITY AND MAY GOD BLESS YOU!
